## 2010 The Lakes Area Business Expo "Passport to the Expo" Program

The "Passport to the Expo" program is designed to increase public interaction with Expo participants. This program was a huge success last year for those that participated!

**How it works:** All adult guests entering the 2010 Business Expo will receive a postcard with questions submitted by the participating businesses. Guests must find the participating booths and acquire the answers to all the questions on the postcard. Once completed, the postcard becomes their entry into a raffle.

There will be a total of 500 postcards printed and every 100 postcards will have a different set of questions to make it more challenging! We hope this encourages the public to 'Discover the Expo' and also encourages them to really take their time in getting to know all the participating businesses.

Complete, Detach and Return with your 2010 Business Expo Registration form and payment

---

**Questions to Submit** - Try to limit each question to 10 words or less...please keep the answers simple and be as specific to your business as possible!
